#### Post #1:

*Hey guys I have found that a lot of states allow ADU (Accessory Dwelling Unit) dwellings, but would like to know if anyone has had success on their own getting ADU dwellings established on your properties to help us get a better idea on where to place our air bnb's that we build.*

*Thanks*

#### Post #2:

*Hello everyone, I am looking to build up a buyers list of anyone that would have interest in making cash offers on our stock air bnb container homes so we can keep you on the look when we get more available?*

*Thanks*

#### Post #4:

*We are seeking real estate agents or investors that wish to become affiliates in our program selling off grid air bnb container homes, let me know if this may interest any. Commissions vary from 3%-5%*

#### Post #5:

*Hey guys I found a helpful article on getting air bnb's placed a little easier on our rental properties, like to know your thoughts?*
